2018 SPRING & SUMMER

# THE QUALITY OF SHEEN

## SWAROVSKI® CRYSTALS

*SHEEN watch is embellished with Swarovski® Crystals.*

Swarovski® crystals are produced according to the pioneering and technically superior lead-free\*advanced crystal standard. The 16-digit unique alpha-numeric codes on seal tag are set for each ingredient branding partner. Verify your seal code now at [swarovski.com/crystals](http://swarovski.com/crystals)

\*Crystal glass and all other materials containing 0.009 % lead or less.

## Japan movement

All products of SHEEN feature reliable Japan-made movements.

- Time accuracy per month: only +15-20 seconds
- Approximate battery life of 2-3 years
- \*Specifications vary by model. See p21-22 for details.

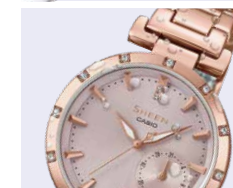

## Stainless Steel

All products of SHEEN are made of Stainless Steel to resist rust and discoloration.

## Water Resistant

All products of SHEEN are water resistant from at least 50 meter. There's no need to worry if your watch gets wet in a sudden downpour. You also don't need to take your watch off every time you wash your hands or face or do the laundry or the dishes.

## Selected Leather

All leather bands of SHEEN have passed strict internal testing standards. They can withstand strong light, sweat, water, and are resistant to discoloration and fading.

## ELEGANT, SMART, SHINING.

What you've always been looking for is born shining from the inside. Don't be deceived by trends, true value is found in real elegance. And today, time is precious, so we have a smart lifestyle.

Elegant design, Smart features, and Shining quality, SHEEN. All women become more beautiful.
